

Meet the Semantic Web Industry at

**6th International Conference on Semantic Systems
1 - 3 September 2010, messecongress | graz, Austria**

www.i-semantic.at

Sponsorship & Exhibiting Opportunities

With more than 400 participants every year I-SEMANTICS is one of the largest industry conferences in Europe in the field of semantic systems and the Semantic Web. It is held concurrently with the I-KNOW Conference on Knowledge Management and Knowledge Technologies. Get in touch with industry representatives and IT developers in this vital and flourishing technology field.

We target the following audience:

- IT professionals & architects
- Software developers
- Knowledge Management Executives
- Innovation Executives
- R&D Executives

The following packages are available (prizes excl. 20% VAT):

Conference Sponsoring Package € 1.000.- including:

- Prominent logo placement on the I-Semantics website (www.i-semantic.at)
- Logo placement in the printed conference program
